

Paul “Popeye” Sullivan

In loving memory of Paul “Popeye” Sullivan, a former member of JHYC, and crew for Colin Jones on “Cydia”, and other yachts, including Rick Gormley's “Alethea”.

Paul was a native of Canada who wintered in Antigua, his 'other home', for many years. He left Antigua on Christmas eve and passed away January 26, 2010 in Canada. Gone too soon.
