

DINGHY INSTRUCTION COURSES

Learn to sail a Dinghy with Jolly Harbour Yacht Club!

Courses are run every Sunday morning. For beginners we run a 6 week 'introduction' course.

The training takes place on North Beach Jolly Harbour and starts at 9.30am. North Beach is a perfect location for learning to sail – calm, shallow waters and little interference from other boat users! You will be taught the basics in one of our 'Sport 16' dinghies, and when you are confident enough you will be shown how to manage a Laser dinghy single handed.

We do not have any facilities for changing or showering on the beach so wear comfortable clothing that you do not mind getting wet in! Also, you will need to bring something to drink and a snack for mid-morning to keep up your energy!

These courses are run to raise funds and cover the costs of our Youth Sailing Programme – Teaching young Antiguans aged between 8 and 18 to sail for

FREE. This project has been proving very popular, and we hope that some of our students will be moving on to be coached by Carl James at the AYC – and possibly on to represent their country at International level.
