

JHYC MONTHLY LASER RACING CHALLENGE

1st Event Sunday 6th December 2.00pm

All comers welcome!

Entry Fee ec\$20

We have decided to cut back on our weekly Laser racing on Sunday afternoons – instead we are going to have a monthly challenge, with a bottle of Rum for the champion each month!

As in our previous weekly events, there will be a series of races – everyone entering will be given at least two races against as many different opponents as possible within the time available - number of races dependant on number of entries - to get points based on their position – 1 point for 1st place 2 points for second place etc – there will be two semi-finals for the eight lowest scoring competitors, and the winning two entrants from these semi-finals will go into the 'Grand Final' for the Rum.

We need to know how many entrants to expect, so please register your interest with an email to

pippapettingell@hotmail.com or phone 722 8468

The barbeque will be set up, so bring some meat to cook and something to drink – make a social event of it and enjoy the afternoon! Be there – North Beach, Jolly Harbour.
